Annual Fund Drive

Medina's urban forest stands as one of the most beautiful aspects of our Village. These glorious conifers provide us with a major celebration of the four seasons. The positive effect trees have on our air quality is also well known. In fact, Medina has over 10 trees for each resident! We can be proud of Medina's designation as a "Tree City" by the Arbor Day Foundation.

Our forefathers created this beautiful asset for Medina and now it is our turn to pay it forward. The Village Street and Parks Department provides for planting, watering and maintenance of our trees. The Village budget provides for approximately 25 new tree plantings per year. However because of the maturity of our trees we are losing over 100 trees per year.

This is your opportunity to give a legacy gift that will last 60-100 years. Will you please help keep Medina a treasured place to live? Your tax deductible donation of any size will be appreciated and you will be invited to our Annual "Tree City" Celebration on Arbor Day this April 1st.

Thank you,
The Medina Releaf Society
