VILLAGE BOARD MEETING

DPW REPORT

Christmas decorating went well

Thank you to our whole crew who worked hard to get it done in 3 days

Thank you to Village of Holley Electric for the use of their bucket truck and Orleans County DPW for the use of their lift for decorating

Most of the items from the auction are picked up

The merry go round has not been paid for, everything else has been paid for

Had Schaal tree service take the tree down that was over the house on Genesee and South ave

New bucket for the big bucket truck arrived today hopefully can get that back in service

Sewer truck is out of service had a barring go bad in the pump waiting on parts

Benches and historical signs have been removed from Main st for the winter I will leave the trash cans out until after the holiday shopping season
