Response Report

October- 260 Total Responses

November- 174 Responses as of this morning

1. The civil service exam for firefighter will be coming up in 2023. The written exam will be 2/11/23 and the physical agility test will be 5/13/23.
2. Another Olde Tyme Christmas and Parade of Lights in the books. I'd like to give kudos to the Medina Police Department! They put so much time and effort into this day to ensure its safety and success! It's always amazing to watch the teamwork and coordination between the PD, DPW, outside law enforcement agencies and our team at the MFD!
3. Crews will be picking up the full MAAC barrels on December 7. Then MAAC volunteers will sort everything out for firefighters to deliver on December 17.
