1. I'm sure you're all aware by now, but Retired Chief Dell Stork passed away on 1/17/23. He served the Village of Medina FD from 1959-1989, 20 of those years as Chief. Calling hours will be this Friday 4pm-7pm at Cooper Funeral Home and the service is Saturday at 11am at the First Baptist Church.
2. I hope you all had the time to review the 2022 Annual Report. I can't thank our team enough for their dedication and professionalism to our village and surrounding communities.
3. I sent you all an updated Callfirefighter Handbook to review. This pertains to the training requirements and stipend. We were unable to find any documents that were adopted and we haven't paid a stipend in about 5 years due to no one meeting the minimum requirements. This year we have a Callfirefighter that has met/exceeded the requirements. So, I took our past practice and put it together in an easy-to-read guideline to adopt. There are really no changes except it is easier to read.
4. After being turned down by AFG again, it is time to submit FY22 AFG Grant. The application period is 1/9/23-2/10/23. I have been working on narratives ahead of time, but I would like a resolution to complete and submit the application. I would like to submit for a vehicle acquisition to replace Engine 10. This is a \$760,000.00 total project that would be \$723,809.52 in federal funding and \$36,190.48 in local cost share.
